Powerpoint Mental Starters

For Key Stage 2
Mathematics and Numeracy

Just some of
the features
of this easy
to use series.

Typically 20
questions
per starter
activity.

Bright and
colourful
powerpoint
presentations.

Fully linked to
the current KS2
Mathematics
National
Curriculum.

User friendly
and fully
editable
if desired.

Available for
all
year groups.

Answer appears
on screen after
each question.

At least one
starter for every
topic.

Stimulating
and engaging
activities.

To reinforce
key concepts
during the
lesson.

Allow
individual pupils
to practice a
topic.

As a
stimulating
lesson
starter.

Some ways
of using
Powerpoint Mental
Starters.

As a
colourful
plenary.

A variety of answering
methods could
be used,
including:

Calculators
may be used very
occasionally for
more difficult
topics.

Everyone
in the class holds
up a whiteboard
or tablet showing
their answer.

Choose
individual pupils
using your
favourite method
to offer their
answers.

Pupils
write and mark
answers for each
question - giving
them a final
score.

The 275 powerpoints are distributed
as follows:

65
Powerpoints
for
Year 3

65
Powerpoints
for
Year 4

75
Powerpoints
for
Year 5

70
Powerpoints
for
Year 6
